Dear Graduates

During the academic year 2019 you have successfully finished your studies in the Master Course of the Department of Electrical Engineering.

Hopefully, a successful professional life lies ahead of you, in which you will be able to work in one out of many interesting fields of electrical engineering.

In any case, your successful graduation is of vital importance for your future. In order to celebrate your degree, we would like to invite you, your relatives and your friends to a graduation ceremony on

Friday, September 27, 2019

We will start with a short photo session at 1:45 pm. Please come to building C20, foyer.

At 2:30 pm, the ceremony will start in building C 20, lecture room 3 and 4.

Around 5:00 pm the ceremony will end with some drinks and conversations.
